MESSAGE FROM THE PRINCIPAL

Dear Parents,

At Goornong Primary School we are committed to providing a safe and happy environment for all students who attend our school. This is based on the notion that everyone has the right to be treated with dignity and respect. The following *Engagement and Wellbeing Policy* is designed to support our school in offering a safe, secure and engaging environment in which to learn.

The policy is based on our school's values of respect, honesty, teamwork and care. We aim to recognise positive behaviours at school, in order to create an environment where these behaviours are valued and celebrated. When negative behaviour occurs, we aim to engage in a restorative approach to guide students to engage in more positive actions in the future.

I encourage parents to discuss the policy with your child/children and thank you for your support in helping us to promote a safe and engaging educational environment for all students who attend Goornong Primary School.

Yours sincerely,

Jason Cox

Principal

PURPOSE

The purpose of this policy is to ensure that all students and members of our school community understand:

- (a) our commitment to providing a safe and supportive learning environment for students.
- (b) expectations for positive student behaviour.
- (c) support available to students and families.
- (d) our school's policies and procedures for responding to inappropriate student behaviour.

Goornong Primary School is committed to providing a safe, secure and stimulating learning environment for all students. We understand that students reach their full potential only when they are happy, healthy and safe, and that a positive school culture, where student participation is encouraged and valued, helps to engage students and support them in their learning. Our school acknowledges that student wellbeing and student learning outcomes are closely linked.

The objective of this policy is to support our school to create and maintain a safe, supportive and inclusive school environment consistent with our school's values.

SCOPE

This policy applies to all school activities, including camps and excursions.

SCHOOL PROFILE

Goornong Primary School is an energetic and friendly rural school 30km north of Bendigo. The school has a long and proud history and remains a central figure in the strength of the small Goornong community.

Most of our school's students come from local farming families or from families living in the Goornong Township who work locally or in the nearby regional centre of Bendigo.

The vision of our school is to prepare our students to become active, engaged and responsible citizens of the local and broader community. We aim to prepare students for the dynamic 21st century by fostering creativity, teamwork, resilience and flexibility. The school aspires to provide a contemporary approach to teaching and learning in a modern, purposeful learning environment.

Our school's purpose is to offer a friendly and caring environment that encourages each student to achieve their full potential. We want each child's journey through primary school to be full of enjoyment, academic achievement and personal development.

Honesty, teamwork, respect and care are our school's values and all students, parents and teachers are responsible for upholding these on each and every school day. Our purpose and values guide all decisions and actions with regards to teaching, learning and student wellbeing.

The curriculum at Goornong Primary School has a strong focus on developing students' skills in literacy and numeracy. Each student has their own individual improvement learning plan in literacy and numeracy, ensuring our curriculum focusses on the specific needs of each student.

The school has an enrolment of 35 students working across two classrooms – P/1/2 and Years 3/4/5/6. The school's staff consists of the principal, 2 full-time classroom teachers, 1 part-time classroom teacher, a Business Manager and 3 part-time education support staff.

We recognise the importance of student friendships and peer support in helping children and students feel safe and less isolated. We acknowledge that some students may need extra social, emotional or educational support at school, and that the needs of students will change over time as they grow and learn.

A summary of the universal (whole of school), targeted (year group specific) and individual engagement strategies used by our school is included below:

STUDENT BEHAVIOUR EXPECTATIONS & MANAGEMENT

Behavioural expectations of students and the school's staged response to managing student behaviour is outlined in the school's Behaviour Management Policy.

Violence, bullying, and other offensive and harmful behaviours such as racism, harassment and discrimination will not be tolerated and will be managed in accordance with the school's Bullying and Harassment Policy.

When a student acts in breach of the behaviour standards of our school community, Goornong Primary School will institute a staged response, consistent with the Department's policies on behaviour, discipline and student wellbeing and engagement. Where appropriate, parents will be informed about the inappropriate behaviour and the disciplinary action taken by teachers and other school staff.

Our school considers, explores and implements positive and non-punitive interventions to support student behaviour before considering disciplinary measures such as detention, withdrawal of privileges or withdrawal from class.

Disciplinary measures may be used as part of a staged response to inappropriate behaviour in combination with other engagement and support strategies to ensure that factors that may have contributed to the student's behaviour are identified and addressed. Disciplinary measures at our school will be applied fairly and consistently. Students will always be provided with an opportunity to be heard.

Disciplinary measures that may be applied include:

- Warning a student that their behaviour is inappropriate.
- Teacher controlled consequences such as moving a student in a classroom or other reasonable and proportionate responses to misbehaviour.
- Withdrawal of privileges.
- Referral to the school principal.
- Restorative practices.
- Loss of playtime privileges.
- Behaviour support and intervention meetings.
- Suspension.
- Expulsion.

Suspension, expulsion and restrictive interventions are measures of last resort and may only be used in situations consistent with Department policy, available at:
