# PHOTOGRAPHING, FILMING & RECORDING OF STUDENTS POLICY

### PURPOSE

To explain to parents/carers:

- How Goornong Primary School collects, uses and discloses photographs, video and recordings of students.
- When parent/carer consent is required before photographing, filming and recording students.
- How consent can be provided and withdrawn.

### SCOPE

This policy applies to the general collection, use and disclosure of photographs, video and recordings (images) of students.

The policy does not cover the use and disclosure of photographs, video and recordings of adults.

### POLICY

There are many occasions during the school year where Goornong Primary School staff photograph, film or record students participating in school activities or events (for example classroom activities, sports events, concerts, excursions, camps etc).

We do this for many reasons including to celebrate student participation and achievement, showcase learning programs, document a student's learning journey/camps/excursions/sports events, communicate with our parents/carers and school community (such as in the school newsletter, Class DoJo, school Facebook group or on noticeboards at the school). There may also be occasions where we take images to support student behaviour management or to fulfil legal obligations. Further detail is provided within this policy.

In addition to the above, there may be situations where a third party requests to take, use or disclose images of students.

This policy outlines the practices that Goornong Primary School has in place for the collection, use and disclosure of images of students to ensure compliance with the *Privacy and Data Protection Act 2014* (Vic). It also explains the circumstances in which we will seek parent/carer consent and how consent can be provided and withdrawn.

### Consent

The *Photographing, Filming and Recording Students Consent Form* is provided by Goornong Primary School at enrolment. This form applies to standard uses of images for the time your child attends the school. Standard uses are defined in the following sections.

For non-standard uses, where consent is required, parents/carers will be sent a consent form for that specific situation. Schools will also notify parents when implementing software that may include photos of students, giving parents an opportunity to discuss any concerns or preferences.

If at any time parents/carers wish to withdraw their consent, they can by contacting Goornong Primary School on 03 5432 2236 or emailing the school on [goornong.ps@education.vic.gov.au](mailto:goornong.ps@education.vic.gov.au). If consent is withdrawn verbally, the school will make a written record of this. However:

- If the images have already been published and are in the public domain, it may not be possible to remove them.
- The school can still collect, use and disclose images in circumstances where consent is not required (see below for more information).

Parents/carers who choose to opt out of having their child participate in official school photographs must contact Goornong Primary School before the date photos are scheduled to be taken to advise that their child will not participate. There is no obligation on any parent or carer to purchase any photographs taken.

However, the school will need to discuss with these parents/carers alternative arrangements for identifying students in emergencies and for other essential purposes.

### **Images to manage student behaviour or fulfil our school's legal obligations, including child safety**

On occasion, it may be necessary for school staff to photograph, film or record students and/or use images to:
